

Kindergarten Education Scheme

School-based Learning Activity of Chinese Culture

Display Form

HKSPC Butterfly Estate Nursery School

Name of School

2023-2024

School Year

N3

Grade Level

Name of Activity

Visit Lingnan Garden

Objective(s)

- Learn about Chinese garden architecture.
- Through outdoor sketching, children can learn about the environment and facilities under sunlight, and understand the characteristics and changes of shadows.

Brief Descriptions:

Teachers and children started from the East Gate of Lingnan Garden and learnt about Chinese garden architecture and observed the characteristics and changes of shadows under the sunlight.

At the bridge corridor, the teacher let children to sit on the stone chairs to do sketching, they were able to draw the characteristics of the Chinese garden architecture. They understand the difference between the Chinese garden architecture and the Western architecture.
