Objective(s)

- Understanding Imitation Artefacts.
- Learn about the history of our country.
- Cultivate a sense of family and country.

Brief Descriptions:

Through the introduction of Chinese historical stories by the docent, children learnt the history of the motherland and cultivate a sense of patriotism. For example, they learnt about the Four Great Inventions of China and explore the evolution of ancient books from bamboo to paper. Children knew the role of ancient Chinese coins through the use of replica coins and co-operating with their peers to buy things.
