Objective(s)

- Enhance children's understanding and appreciation of Chinese art and culture.
- Ability to follow the rules of outdoor visit.

Brief Descriptions:

Teachers and children visited the "Exhibition Hall" where they were able to learn about the ancient Chinese ceramic art of "Blue and White Porcelain" and appreciate the patterns and carvings of ancient ceramics. Children also can learn about traditional Chinese paintings and the history of Chinese culture, understand the people at that time in terms of food, clothing, housing and transportation from the paintings. In additional, children learn about the large size of ancient houses with many pavilions and appreciate the Chinese style window paintings and pavilion decoration, which will help them to understand the traditional Chinese garden design.
