School Year

N3

Grade Level

Name of Activity

Visit Hong Kong Zoological and Botanical Gardens

Objective(s)

- Learn about famous Chinese flowers, Chinese herbal plants and old trees.
- Introduce and viewing the symbolic meanings of famous Chinese flowers, e.g. bamboo represents perseverance and thriftiness, etc., through the famous Chinese flowers.

Brief Descriptions:

Teachers and children watched the birds and plants in the Hong Kong Zoological and Botanical Gardens together. Children choose their favorite plants to photograph and complete orientation activities. Visiting the native plant garden, old trees, grass garden and greenhouse in the garden.

After the visit, children set up a corner and planting area in the classroom. Specimens of plants and dried flowers are placed in the area. The children use a variety of seeds, pots and sand to grow potted plants. They learn about Chinese plants and create Chinese flowers with different materials.
