### Name of Activity

Discovery Week - Chinese Arts and Culture & Lunar New Year Parent-Child Activity Day

### Objective(s)

- Different materials were displayed for children to make Chinese clothes, musical instruments, accessories, printing and weaving, etc., which inspired children to be creative and explore their ideas.
- Invited parents to participate in the Lunar New Year Parent-Child Activity Day, introducing and sharing the results of the Discovery Week to build up children self-confidence and demonstrate the charm of Chinese arts and culture with their family members.

### Brief Descriptions:

The activity was a two-week exploration activity. Children try to make Chinese coloured clothes, musical instruments, accessories, printing, weaving and writing spring scrolls by placing different exploratory materials in the classroom corner to inspire their creativity and exploratory mindset.

On 23.01.2025, parents participated the Lunar New Year Parent-child Activity Day, where the children's works were displayed outside the Primary School Hall for parents to appreciate the results of the Discovery Week with them in the form of performances, including Chinese Kung-fu performance by N4, Chinese Dance performance by N3, and Dragon and Lion Dance performance by N2. N4 children distributed homemade spring scrolls to all parents.

On 24.01.2025, they celebrated the Chinese New Year together with a lucky draw. At the end of the day, children tasted rice cake and turnip cake together to learn more about traditional Chinese New Year food and ended the program in a festive atmosphere.
