School Year

N4

Grade Level

Name of Activity

Visit the Kowloon Park

Objective(s)

- To learn about the different types of plants.
- Appreciate the garden with Chinese characteristics and enhance the children's awareness of Chinese culture.

Brief Descriptions:

They learnt about the different types of plants through visits to the Tree Study Trail, Garden of Life and the Colour Garden and Reunification Garden in the Kowloon Park. They were most interested in the Hong Kong Orchid Tree, the city flower of Hong Kong. The children also enjoyed the Chinese Garden in Kowloon Park, where they were able to explore the garden and appreciate the Chinese landscape, which enhanced their understanding of the Chinese culture.
