

Kindergarten Education Scheme Experiential Learning Activities Display Form

HKSPC Butterfly Estate Nursery School

Name of School

2024-2025

School Year

N2

Grade Level

Name of Activity

Visit Sha Tin Road Safety Park

Objective(s)

- To learn the correct ways to use road facilities
- Improve road safety awareness and follow traffic rules

Brief Descriptions:

There are different road facilities, such as traffic lights, portrait lamp, zebra crossing and pedestrian bridges, etc. Through the activity, children were able to understand more about the correct way to use the road facilities, improve their safety concepts and learn to follow the traffic rules. Children were able to learn about the electronic audible traffic signal and its function of alerting the blind to the traffic signal status, which are both vocal and vibrational.

The site is also set up with a simulated road and different kinds of traffic signs, such as No Stopping, Speed Limit and Drive Forward, etc., so that children could understand that traffic signs are used to inform drivers and forewarn them of the road conditions ahead.

Record of Activity (E.g. Children's Work / Photos / Videos of the activity)
