**Name of Activity**

**Tuen Mun Por Lo Shan Hiking Activity**

**Objective(s)**

- Appreciate the design of courtyard architecture
- Sketch the form of a Chinese pavilion to understand its structure
- Appreciate the harmony between nature and human culture

**Brief Descriptions:**

Before the hike, we introduced the landscape and the appearance of the Chinese-style pavilion through photographs and videos. The children then engaged in sketching activities. Through observation, they attempted to draw the structural form of the Chinese-style pavilion.

They also observed other people in the environment and natural creatures. During the activity, the children demonstrated a caring attitude toward the environment and public facilities, experiencing the harmony between nature and human culture.
