

Project : I Love China

Activity objectives :

1. Learn about Chinese handicrafts and traditional gadgets
2. Enhance children's knowledge of Chinese culture
3. Share the learning outcomes of theme " I Love China" with parents

Activity introduction :

Through the "I Love China" project, children share their experiences, the most favorite "Traditional Chinese Toys" and "Traditional Chinese Handicrafts". During the activities, parents and children played with spinning tops, cut paper and made the Chinese snacks "Maltose Cracker Sandwich". Parents and children enjoyed the activities very much.
