2023-2024

School Year

K1

Grade Level

Name of Activity

Close to Nature (Nature)

Objective(s)

- Children can observe and explore the shapes of plants and trees.
- Children can understand the appearance and characteristics of aquatic plants and small animals.
- Children learn to love nature.

Brief Descriptions:

- In the theme, children are interested in animals and plants. Therefore, the teacher led the children to visit the Hong Kong Wetland Park.
- In the Hong Kong Wetland Park, children can use different senses to explore plants, such as trees, flowers, thereby promoting their understanding of plants.
- At the same time, children learn to use magnifier to observe the scenery and insects. Such as flowers, water lilies, and dragonflies. They have more understanding and love of the nature.
