The Chinese culture and art exhibition

**Objective(s)**

- Through the activities, children can experience different areas of Chinese culture and enjoy the process and fun of creation.
- Through the activities, parents can enjoy the fun of creation with their children, promote parent-child relationship, and learn about and experience traditional Chinese culture together.
- Show the children's art activities to parents and the people in the community, and this can promote Chinese culture.

**Brief Descriptions:**

- Through the creative activities, children can learn about traditional Chinese folk activities, handicrafts, art and culture, as well as the advanced nature of China.
- Through parent-child activities, children and their parents can get more knowledge about Chinese culture · e.g. experience candy painting, rubbing, flour dolls and juggling performances.
- Through the exhibition of children's artworks, participants can learn more about Chinese culture.
