

2023-2024 年度

N3 班參觀香港海洋公園

班級 (Class) : N3

參觀地點 (Location) : 香港海洋公園

Hong Kong Ocean Park

活動目標 (Target) :

1. 讓幼兒認識香港特色景點。
2. 了解不同的海洋生物特徵與習性。

1. Let children know about Hong Kong's special attractions.

2. Learn about the characteristics and habits of different marine organisms.

為配合「香港」主題，老師帶領幼兒到「香港海洋公園學院」進行海洋派對活動。活動中，幼兒能近距離接觸海洋生物，他們表現雀躍，導賞員講解生動有趣，幼兒都能投入地進行互動遊戲，從中認識海洋生物的外形特徵和生活習性。

In line with the theme of "Hong Kong", teachers led children to participate in marine-themed activities at the Hong Kong Ocean Park Academy. During the program, the children had the opportunity to get close to marine life. They were very excited and the docent provided lively and interesting explanations. The children actively participated in interactive games to learn about the physical characteristics and living habits of marine creatures.
