幼兒在親子中秋慶團圓活動透過有關中秋節的故事認識中秋節的來源、習俗及其慶祝方法。老師亦提供水筆及鑽石貼紙，讓幼兒與家長合作製作花燈。完成後家長與幼兒可拿着花燈拍照打卡留念及作提燈，歡度應節活動。此外，幼兒與家長一起品嚐楊桃、柚子、柿及雪梨等應節水果及月餅，讓幼兒認識中秋節的傳統應節食品。最後幼兒與家長進行猜燈謎活動，藉此提升幼兒的中文語文能力及邏輯思維，亦提供了機會給幼兒與家長有更多的親子對話時間。

During the parent-child Mid-Autumn Festival activities, children learned about the origin, rituals and celebrations of the Mid-Autumn Festival through story telling. In addition, children and their parents tasted together with carambola, grapefruit, pomegranate and other festive fruits and mooncakes, allowing children to learn about the traditional festive foodies of the Mid-Autumn Festival. It also provided opportunities for children and parents to have more parent-child conversation time as they participated in lantern riddle activity together.
