To enhance children's understanding of the origins, customs and symbolic significance of the Mid-Autumn Festival as well as to strengthen family bonds, our school held a Parent-Child Joyful Mid-Autumn Celebration on Friday, October 3, 2025 with children and their parents at the school. During the event, children and parents made snow skin mooncakes and learned about the ingredients and steps required. The children also tasted mooncakes and seasonal food items (yangtiao, raisins and pears), played lantern riddle games and participated in activities such as 'The Moon Rabbit is Hungry' and 'Gathering with the Moon Rabbit'.
