

Kindergarten Education Scheme Experiential Learning Activities Display Form

HKSPC The Jockey Club Hok Sam Nursery School

Name of School

2023/2024

School Year

N2

Grade Level

Name of Activity

Visit Tuen Mun Park Reptile House

Objective(s)

- Children learn about the characteristics of reptiles through multi-sensory observation and experience.
- Cultivate children's curiosity, exploration spirit and expression ability.

Brief Descriptions:

After the children arrived at the Tuen Mun Park Reptile House, the staff of the Reptile House briefly introduced the information about reptiles to the children in the guide room, and displayed different animal specimens for the children to watch and touch. Afterwards, the class teacher led the children to freely visit the house. On that day, the children saw different species of reptiles, including: Ball Pythons, Pig-nosed Turtles, African Spurred Tortoise, Blue-tongued Lizards, leopard geckos, etc... The children were able to observe their appearance and behavior at close range. In addition, children can see model specimens of reptiles in the house, which will help enrich and enhance their understanding of animals and reptiles.
