Meet China's Great Craftsman—Lu Ban

Objective(s)

- (1) Introduce young children to the contributions of Chinese craftsman Lu Ban to China and the world, fostering a sense of national pride.
- (2) Learn about basic woodworking tools and, under adult supervision, practice using them to create simple garden furniture.

Brief Descriptions:

Teachers introduce young children to the legendary Chinese craftsman—Lu Ban—through a short video. The children learn that Lu Ban invented numerous woodworking tools, revolutionizing efficiency for carpenters worldwide and earning his place as a great inventor.

Transforming into little craftsmen, the children work under their teacher's guidance to build wooden furniture from raw logs. Through this activity, they discover how ancient China's brilliant artisan drew inspiration from everyday life, relentlessly innovating tools that inspired generations of craftsmen across the globe. His profound legacy and monumental contributions fill every Chinese person with pride. The children express admiration for Lu Ban's wisdom, while the activity nurtures their sense of national identity and belonging.
