

Kindergarten Education Scheme

School-based Chinese Culture Learning Activity

2022-2023

N2-N4

Activity Name

Promotion of Chinese Art and Culture

Activity Goals

- Help children learn about traditional virtues, and foster positive attitude such as obeying to rules and caring for others through various integrated activities
- Help children to learn and appreciate Chinese art and culture, raising their knowledge and interest in Chinese culture
- Children can understand the country and their traditions, in order to foster a sense of belonging to the country and their sense of national identity
- Provide stories about Chinese Festivals so as to encourage children to learn about Chinese customs and enjoy the festivities

Activity Summary

In order to help children learn and appreciate Chinese art and culture, our school has arranged various learning activities and parent-child activities to help children continuously explore different Chinese traditions and learn about Chinese culture, thus nurturing their sense of belonging to our country.

Our school has also integrated Chinese culture into the daily schedule, like listening to the National Anthem. Also, through various themes and learning activities, we nurture the children to love their family and companions, and to cherish the people and things around them, thus developing positive moral characters. Moreover, we organized festive celebrations according to the related festivals, such as Parent-Child Lunar New Year Market, Flag Raising Ceremonies on selected days, other Parent-Child activities and Mid-Autumn Lantern Parade etc. Children can learning by living, and experiencing the Chinese culture first hand.
