### 活動簡介 Brief Introduction:

老師先透過繪本故事及課節，讓幼兒認識及學習良好品德的概念，如：待人有禮、自己的事自己做等，再透過日常的情境實踐及應用，讓幼兒於擔任天氣報告員、小組長及動物餵飼員的角色，培養幼兒的責任心。最後，透過不同的獎勵計劃，包括N1N2的「禮貌小寶寶」及N3N4的「責任小寶寶」，邀請家長支持和參與，與學校合作營造有利培育幼兒正面的價值觀和積極的態度的氛圍。

Teachers initially employ picture books and lessons to facilitate children's comprehension of good moral character concepts, such as politeness and personal responsibility. Subsequently, through practical application in everyday scenarios, children are encouraged to assume roles such as weather reporters, group leaders, and animal caretakers, thereby cultivating a sense of responsibility. Ultimately, through various reward programs, including "Polite Baby" for N1N2 and "Responsible Baby" for N3N4, parents are invited to support and engage, collaborating with the school to foster an environment that nurtures positive values and attitudes in children.
