Name of School

2024-2025

School Year

N2

Grade Level

Name of Activity

Experiential Learning Week: I can brush my teeth

Objective(s)

- Children explore the shape and characteristics of toothbrushes and learn about the soft and hard parts of toothbrush bristles.
- Children can know the ways of protect teeth and the importance of brushing.
- Children learn that self-discipline is the traditional spirit of Chinese culture. They can learn self-discipline, focus on personal hygiene, and develop good living habits.

Brief Descriptions:

- By reading the story " I can brush my teeth " , let children know the reasons for tooth decay, learn how to protect teeth, and ask children to find the answers from the book. During the activity, children can use the books and observe to explore toothbrushing tools. They can learn and keep their teeth healthy.
- During the theme " Little Monkeys Grow Up", children understand the protect method of teeth and the importance of brushing their teeth, so as to learn how to use a toothbrush to practice the correct brushing method, and understand that self-discipline is the traditional spirit of Chinese culture. Also, children can learn self-discipline and focus on personal hygiene to develop their good living habits.
