活動簡介 (Activity Overview):

老師於「家庭」單元的課堂活動中，與幼兒一同認識了假日的家庭活動，並帶出了進行家庭活動時的情緒與態度。為延伸幼兒的學習興趣，老師安排幼兒參觀玩具圖書館，為幼兒帶來既可開心玩樂，又可隨心閱讀的親子空間。

In the "Family" unit, the teacher introduced family activities to the children and explored the feelings and attitudes involved in these activities. To further enhance their learnings and interests, the teacher arranged a visit to the toy library. This provided the children with a space where they could have fun playing and enjoy reading with their families.
