

# Kindergarten Education Scheme Experiential Learning Activities Display Form

HKSPC Butterfly Estate Nursery School

Name of School

2024-2025

School Year

N3

Grade Level

## Name of Activity

Astronomical Activity - The Big Big Sun

## Objective(s)

- Discover the sun's connection to us through sky projections in the Astronomy Dome.
- Explore the sun's appearance and experience its brightness and warmth using a solar filter.
- Children can create a sun model through art activities and share personal thoughts and experiences.

## Brief Descriptions:

Children were guided by S.T.E.A.M. for Children Wonderland instructors into the Astronomy Dome to view sky projections and learn about the sun's connection to our lives. Inside the tent, they explored the sun's features using a solar filter, showing curiosity and asking questions. Later, through a creative art activity, they built sun models and eagerly shared their thoughts and experiences.

## Record of Activity (E.g. Children's Work / Photos / Videos of the activity)
