To enhance children's understanding of the origins and customs of the Dragon Boat Festival as well as the materials and ways to make zongzi, our school held a Dragon Boat Festival Fun Day on May 28 (Wednesday) and May 29 (Thursday), 2025 with children and their parents. During the event, children and parents worked together to make zongzi, learnt about the materials needed for making zongzi (such as bamboo leaves, glutinous rice, mung beans, salted egg yolks and cotton strings). Children also tasted zongzi, played dragon boat games and participated in art and craft activities related to the Dragon Boat Festival.
