Name of Activity

Summer Activities : Chinese Traditional Skills

Objective(s)

Through experiential activities such as Wing Chun, rainbow calligraphy, and mental abacus calculation, children will enhance their understanding of traditional Chinese skills while continuously exploring and appreciating the wisdom and culture of the Chinese nation

Brief Descriptions:

Through this summer program, N2-N3 students at our school gained initial exposure and hands-on experience in three traditional Chinese cultural arts, They are Wing Chun, rainbow calligraphy, and mental abacus. The children's active participation and enthusiastic responses demonstrated their admiration and growing fondness for Chinese culture. These activities helped the children deepen their understanding of different facets of their national culture. Through firsthand experience, they felt the uniqueness and excellence of traditional Chinese practices—appreciating the grace of Wing Chun, the beauty of rainbow calligraphy, and the intelligence behind mental abacus. This program successfully enhanced the children's awareness of traditional Chinese skills and continues to encourage them to explore and appreciate the wisdom and culture of the Chinese nation.
