活動簡介 Brief Introduction:

老師透過故事、歌曲，讓幼兒了解端午節的由來和相關活動，學習端午節的重要意義，並引發對中國文化的興趣。老師安排了不同的體驗式活動，以進一步加深幼兒對節日的認識和參與感，如：包粽子、入香包、吃粽子、划龍舟等等。學校亦邀請了家長到校參與端午節活動，與幼兒一起動手包粽子，並派發親子文化包，讓家長與幼兒製造龍舟鼓，一同慶祝端午節。

Through storytelling, teachers facilitated children's comprehension of the origins and related activities of the Dragon Boat Festival, fostering an appreciation for its significance and igniting an interest in Chinese culture. Additionally, teachers incorporated experiential activities to enhance the children's understanding of the festival and their sense of involvement: crafting zongzi (rice dumplings), filling them with aromatic sachets, consuming them, and engaging in dragon boat racing. The school also invited parents to partake in the Dragon Boat Festival activities and collaborate with the children in making zongzi. And parent-child cultural packs are distributed, enabling families to create dragon boat drums to celebrate the Dragon Boat Festival.
