活動對象 Target: N4 幼兒 children

活動目標 Objectives:

1. 加深幼兒對理財的概念
2. 透過不同的學習活動及外出參觀，學習正確的理財觀念
3. 培養幼兒節儉的美德
  - Deepen children's understanding of financial concepts.
  - Learn proper financial management through various learning activities and field trips.
  - Cultivate the virtue of thriftiness in children.

活動簡介 Brief Introduction:

老師以農曆新年收到的利是錢作引入，引導幼兒分享金錢的用途，並以「理財」為主題，與幼兒進行為期三週的專題活動。老師準備不同活動供幼兒探索及發現有關理財的知識。而幼兒亦在期間分享自己的發現。老師亦帶領幼兒參觀「投委會理財教育體驗館」，透過「理財農場」遊戲扮演農夫，體驗要工作才有金錢，而收到金錢後應該如何使用，學習「需要」及「想要」的概念。此外，亦認識金錢可用作儲蓄及捐款，提升幼兒的理財概念。最後，幼兒以「賣物會」作總結，邀請家長一同參與。The teacher used the Lunar New Year red envelope money received as an introduction, guiding the children to share the uses of money. With "financial management" as the theme, the children conducted a three-week themed activity. The teacher prepared various activities for the children to explore and discover knowledge about financial management. The children also shared their discoveries during the activity. The teacher also led the children to visit the "ICF Financial Education Experience Center." Through the "Financial Farm" game, they played the role of farmers, experiencing the importance of working to earn money and how to use the money they received, learning the concepts of "needs" and "wants." They also learned that money can be used for savings and donations, enhancing the children's financial management concepts. Finally, the children concluded with a "shopping fair," inviting parents to participate.
