活動簡介 Brief Introduction:

老師透過主題活動及體驗式活動，讓幼兒知道冬天來到了，並認識不同保暖方法。藉著新聞分享，幼兒留意到寒冷的冬天已來臨，帶出應多關心身邊的長者及鄰舍，故幼兒提出送暖行動，贈送保暖的物品。經過商討後，幼兒提議親手編織頸巾以送溫暖予家中長者，以表達對他們的關心及送上「暖暖」的祝福。

Through themed activities and hands-on activities, teachers helped children learn about the arrival of winter and various ways to stay warm. Sharing news alerted the children to the arrival of the cold winter and encouraged them to care for the elderly and neighbors. The children then proposed a "warmth-giving" initiative, giving away warm items. After discussion, the children suggested hand-knitting scarves to send warmth to their elderly family members, expressing their concern and sending warm wishes.
