活動簡介 Brief Introduction:

老師透過故事讓幼兒知道端午節的日子、由來、活動等等，延伸出端午節的習俗-賽龍舟、吃粽子、香包及立蛋等。幼兒透過影片與幼兒認識龍舟比賽的過程，並且感受其氣氛。亦利用實物或圖片讓幼兒探索認識粽子及香包，並於不同的活動中了解包粽子的方法。學校更邀請了家長到校與幼兒一同感受端午節的氣氛，透過包粽子，讓家長與幼兒認識背後的意義。

Through storytelling, teachers introduced children to the date, origins, and activities of the Dragon Boat Festival, extending their understanding of festival customs such as dragon boat racing, eating zongzi (rice dumplings), fragrant pouches, and standing eggs. Children watched videos showing the dragon boat race and experiencing the atmosphere. Children also explored zongzi (rice dumplings) and fragrant pouches through real objects and pictures, and learned how to make them through various activities. The school also invited parents to come and experience the atmosphere of the Dragon Boat Festival with their children, allowing them to understand the meaning behind making zongzi.
