活動簡介 Brief Introduction:

於談話活動時間，老師透過圖片及故事分享認識不同的中國特色植物及其寓意。學校邀請表演團體到校進行中華文化繪本劇場《千年種子》，講述有關三個和尚栽種珍貴的千年蓮花種子的故事，鼓勵幼兒堅持有耐性，亦用故事講述花的獨特寓意。老師亦配合主題「種植」，請幼兒在學校嘗試種植蔬菜，學習堅持等待收成。

During the Circle time, the teacher shares different Chinese specialty plants and their meanings through pictures and stories. The school invites a performing group to conduct a Chinese cultural picture book theater "A Thousand-Year Seed," which tells the story of three monks planting precious thousand-year lotus seeds, encouraging children to persevere and have patience, while also conveying the unique meanings of flowers through stories. The teacher also aligns with the theme of 'planting' and asks the children to try growing vegetables at school, learning to persistently wait for the harvest.
