Before the event, the teacher uses pictures to help the children gain a preliminary understanding of the concepts of 'ICH Domain' and Dimsum. The teacher and the children take a tourist bus to the 'Hong Kong Intangible Cultural Heritage Centre - Sam Tung Uk Museum', and collaborate with the tour guide to lead the children on a visit to the Hong Kong Intangible Cultural Heritage Centre and exhibitions, as well as the intangible heritage workshop about Dimsum. The children are actively engaged and develop an interest in learning about Chinese culture.
