Cheung Sha Wan Nursery School**

Name of School

2024-2025

School Year

N3

Grade Level

Name of Activity

Caring for the Community and showing love

Objective(s)

- Through visiting the elderly , children can learn about the traditional Chinese virtue of "Caring others" .
- Through the activities, children can have different life experiences, cultivate their sense of responsibility to society, and contribute to building a harmonious campus and society.

Brief Descriptions:

- Through the virtuous action and dance performance, children learn to express the caring message and pass the traditional Chinese virtue of caring to the elderly.
- Through the interactive games, children learn to respect and care the elderly, thereby let the children experience caring for those in need in the community, and to build an inclusive and a harmonious society.
