活動簡介 (Activity Overview)

早前在課堂中，老師與幼兒一同前往稻香飲食文化博物館。幼兒在參觀時對於茶樓的模擬區感到十分有趣，因此老師安排了稻香酒樓飲茶活動，讓幼兒認識酒樓的食物、用具及飲茶注意事項，體驗傳統飲茶文化。此外，幼兒到茶樓要觀察顧客、茶樓的職員、環境以及食物。在老師及義工家長的協助下，幼兒進行飲茶活動，包括自行清洗餐具、討論餐牌、選擇點心及進食，享受飲茶的樂趣。

Teachers and children went to the Tao Heung Food Culture Museum. The children were very interested in the tea house simulation area during the visit, so the teacher arranged a tea-drinking activity at Tao Heung Restaurant to let the children learn about the food, utensils and tea-drinking in the restaurant, so as to experience traditional Chinese tea-drinking culture. In addition, children observed other customers, tea house staff, as well as its environment and food. With the assistance of teachers and volunteer parents, children enjoyed tea drinking activities. Children washed the tableware, discussed the menus, chose Dim Sum and ate by themselves, enjoying the fun of tea drinking.
