Objective(s)

- To learn about Chinese plants and Chinese garden architecture (e.g. lotus ponds and waterfalls).
- To learn about the meaning of Chinese plants, e.g. bamboo represents perseverance and frugal.

Brief Descriptions:

Through visiting the greenhouse, children learnt about the different types of Chinese plants and their meanings, such as orchids, bamboo and lotus. Children visited the Chinese garden buildings, such as the lake and waterfalls. During the visit, the children appreciate the nature around them, including different water animals, different plants and small insects, such as turtles, tadpoles, butterflies and dragonflies.
