Name of Activity

Visit the Lingnan Garden

Objective(s)

- To learn about Chinese Garden Architecture.
- Observe the environment and facilities under sunlight and learn about the characteristic garden architecture of shadows.

Brief Descriptions:

Teachers and children visit at Lingnan Garden. They were observing, exploring and appreciating the Chinese characteristics of the pavilions, as well as the unique wall decorations, patterns and motifs of the buildings. This was followed by a drawing activity where the children were able to appreciate the beautifully carved and painted beams and structures. Finally, they shared their drawings with each other.

In the Extension Activity, children used Chinese architectural aids and Chinese decorations to set up a scene and then they engaged in shadow show. In the art activity, children drew Chinese architectural elements in the different art crafts.
