Cheung Sha Wan Nursery School**

Name of School

2025-2026

School Year

N4

Grade Level

Name of Activity

Experiential Learning Activity: “Joy of Weaving and Embroidery with Threads”

Objective(s)

- Through activities, children can understand the cultural background of weaving and its importance in Chinese tradition, thereby deepening their appreciation and knowledge of Chinese culture.
- Through activities, children can learn basic weaving and embroidery techniques.
- Through interactive cooperative weaving activities, children can strengthen their problem-solving abilities and social skills.

Brief Descriptions:

- By experiencing traditional Chinese attire and observing embroidery patterns, children can develop interest in the designs on clothing and appreciate Chinese culture.
- Children can learn simple weaving and embroidery techniques and practice in different corners of the classroom.
- Children can learn to embroider a “Panda Handkerchief” and share their finished work through a small exhibition, so as to learn how to express their feelings and appreciate each other’s creations.
