

**Kindergarten Education Scheme  
School-based Learning Activity of Chinese Culture  
Display Form**

**Hong Kong Society for the Protection of Children  
Cheung Sha Wan Nursery School**

Name of School

**2025-2026**

School Year

**N3**

Grade Level

**Name of Activity**

**Experiential Learning Activity: I can do it by myself**

**Objective(s)**

- Children learn cooking, washing and drying clothes. They can know their own growth of abilities.
- Enhance children's autonomy and proactivity in daily life. They learn to take responsibility, and thank for their family's care.
- The activity will develop children's moral development in Chinese culture.

**Brief Descriptions:**

- Children experience "washing", "drying and folding towels" in the corner.
- Children experience the cooking steps of "washing tomatoes", "cutting tomatoes", "washing eggs", "cracking eggs" and "beating eggs". They cook and taste "scrambled eggs with tomatoes" together.
- Children make "fried rice with eggs and corns" from peeling corns and cooking rice. They bring the fried rice to share with their families to thank them for their hard work and care.

Record of Activity (E.g. Children's Work / Photos / Videos of the activity)
