- 3) Enjoy celebration activities related to the Lunar New Year.

Brief Descriptions:

Children from N2 to N4 will be celebrating the Lunar New Year with a special "Hotpot Reunion" activity. To start, the teacher will share a short story about the tradition of the reunion dinner, so the children learn that families gathering together for this meal is an important part of the Chinese New Year celebration. Before digging into the hotpot, each child will take a turn to wish their teachers and classmates a happy New Year with some festive greetings. During the meal, the teacher will show the children different hotpot ingredients, naming each one and encouraging them to describe what they look like. With joyful New Year songs playing in the background, the children will enjoy their hotpot feast in a warm and lively festive atmosphere.
