## School-based Learning Activity of Chinese Culture

### Display Form

Hong Kong Society for the Protection of Children Ma Tau Chung Nursery School

Name of School

2025-2026

School Year

N2-N4

Grade Level

### Name of Activity

Appreciate traditional Chinese dance performance

### Objective(s)

1. Appreciate the beauty of Chinese dance and experience its "form, spirit, strength, and rhythm".
2. Enhance children's physical flexibility by manipulating different Chinese dance props.

### Brief Descriptions:

First, introduce the characteristics and background of Chinese dance to children to, guiding them to observe the performers' postures, facial expressions, and body movements. Two performers take turns showing four different traditional dances. Then, the performers demonstrate basic Chinese dance movements and introduce props, inviting children to try in small groups and experience the joy of different dance movements.

Through this activity, children learn to appreciate traditional Chinese dance performances, master basic Chinese dance techniques and appreciate the traditional Chinese dance art culture.
