Name of Activity

Face Painting of Chinese Cultural Arts

Objective(s)

- Understand traditional Chinese cultural arts.
- Experience the fun of face painting.
- Let parents and children to share joy together.
- Provide a space to relax and enhance a pleasant artistic atmosphere.

Brief Descriptions:

Since the children enjoyed different face painting designs, the school collaborated with instructors to hold a face painting event. This allowed parents and children to choose their favorite patterns, after which a face painting instructor assisted the children in painting the designs on their hands or faces. Parents observed the instructor's painting techniques and provided support. The school also prepared various face painting colors, enabling parents to try helping their children create different designs."
