老師與幼兒在校內閱讀與中國傳統玩具有關的故事，與幼兒認識不同的中國傳統玩具，如：陀螺、投壺、風箏、毬子等。然後，於文化日派發親子資源包及家校通訊，請家長與幼兒一同在家完成圖工，並試玩傳統玩具，以認識及欣賞中國傳統文化。

Teachers and children read stories about traditional Chinese toys at school, and learn about different traditional Chinese toys with children, such as spinning tops, throwing pots, kites, and shuttlecocks. Then, on the culture day, parent-child resource packs and home-school newsletters are distributed. Parents and children are invited to complete drawing projects at home and try traditional toys to understand and appreciate traditional Chinese culture.
