  - (3) 讓幼兒鞏固中華文化的價值觀「孝」，培養幼兒孝順及關愛父母。
- (1) Help the children learn to express their love and appreciation for their fathers.
  - (2) Help the children understand the love their parents have for them.
  - (3) Help the children reinforce the traditional Chinese cultural value of "filial piety", and cultivate a sense of filial piety and care for their parents.

父親節活動前夕，老師與幼兒於校內閱讀與父親節有關的故事、唱有關感謝父親的歌曲，以及製作心意卡，從而鞏固中國傳統文化「孝」。而父親節活動當日，幼兒向家長表達愛意，製作獨一無二的小夜燈送給父親。而 N1 及 N2 幼兒更與父親進行親子遊戲，讓幼兒和父親享受親子時光，從而鞏固中國傳統文化「孝」。

In the days leading up to Father's Day, teachers engage children in activities at school that reinforce the traditional Chinese cultural value of "filial piety". This includes: Reading stories related to Father's Day with children, having children sing songs that express gratitude towards fathers, guiding children to make cards for their fathers. On the day of the Father's Day event, children have the opportunity to directly express their love and appreciation to their parents. Children also make unique night lights to give to their fathers as gifts. For the N1 and N2 children, they participate in parent-child games with their fathers. This allows children and their fathers to enjoy quality time together, further reinforcing the traditional Chinese value of "filial piety".
