老師與幼兒於校內認識中國傳統文化-「行禮孝·愛家人」，學習以實際行動和說話表達對家人、長輩的愛。然後，於文化日派發親子資源包及家校通訊，邀請家長與幼兒一同在家完成禮物，包括：愛心鏡及愛心盒子，並將禮物送給愛的父母，以認識及欣賞中國傳統文化。

Teachers and children engage in an activity to explore Chinese traditional culture within the school. They learn to express love towards their family members and elders through both actions and words. Following this activity, on Cultural Day, parent-child resource packs are distributed. Parents are invited to join their children in creating gifts at home, including a heart-shaped mirror and a heart-shaped box. These gifts will then be presented to their beloved parents, allowing them to further understand and appreciate Chinese traditional culture.
