

# 2023-2024 年度 N2 班參觀綠田園基金

班級 (Class) : N2

參觀地點 (Location) : 綠田園基金 Produce Green Foundation

活動目標 (Target) : (1) 讓幼兒認識不同種植的工具名稱及功用。

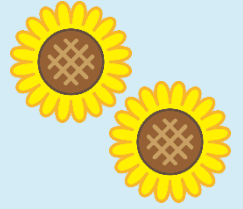

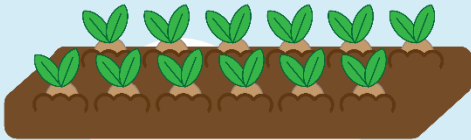

(2) 讓提昇幼兒對種植的認識及興趣。

(3) 學習與同伴合作討論。

(1) To learn the names and uses of different gardening tools.

(2) To enhance the understanding and interest in planting.

(3) To learn to cooperate and discuss with their peers.

老師早前於「大自然」單元的課堂活動中，與幼兒一同認識了大自然環境、植物成長等知識。為延伸幼兒的學習興趣，老師安排幼兒到「綠田園基金」參觀，透過親身操作，讓幼兒認識認識不同種植的工具名稱及功用，同時提昇幼兒對種植的認識及興趣。

Previously in the "Nature" unit, the teacher had worked with children to learn about the natural environment and plant growth. To extend the children's learning interest, the teacher has arranged for the children to visit the "Produce Green Foundation", where through hands-on experience, the children will learn the names and uses of different gardening tools, and their understanding and interest in planting will be enhanced.
